

## Your time matters

Starting the 1990s, we created the first regional software product designed for the law practice management in Romania. At the same time, we developed software products dedicated to corporate law departments.

## OUR CLIENTS TESTIFY

A team of professionals that respects the required standards. We are highly impressed by the services and the assistance offered by Softwiz

Catalin Baiculescu  
Tuca, Zbarcea & Asociatii

"Protopopescu, Puscas & Asociatii - Attorneys at Law" found in Softwiz a reliable partner, the collaboration being a most successful one. The Softwiz team has been delivering the best custom software solutions and applications to meet our requirements, constantly improving, due to the nature of the industry. We have been using the Jurnal Gold software app for three years now and it has become an indispensable help in managing complex databases, optimizing them so that they fit into the particularities of our law firm. The products of Softwiz have proven to be essential tools in our management process. Softwiz offers not only solutions; the professionalism, the promptness and the quality of the services offered make them a reliable partner of any law firm".

Protopopescu, Puscas & Asociatii - Attorneys at Law

I am delighted to find that your company is developing nicely and that it manages to provide prompt and good quality services. As I have done so far, I highly recommend Softwiz for the high quality services offered, for the promptness of answering any requests for technical assistance and, last but not least, for the incredible customer service experience

Nicolae Burchel  
Managing Partner Burchel & Associates

We use Softwiz to time working hours, billing and organizing activities for more than three years. We found that it is the only real solution in Romania that can provide reports and information in an orderly and easy way to understand. The system can be used by any law firm regardless of its location and I recommend without hesitation Softwiz to anyone who wants to develop their business
